FALSE PRETENSE TO GET HORSE

Robert Trimmer of New Chester Accused of Buying a Horse from Mr. Heacock under False Pretenses

Robert E. Trimmer, son of Charles Trimmer, of New Chester, was Friday afternoon placed in the Adams County jail on a charge of buying a horse under false pretenses. The young man is about eighteen years of age and was arrested at Heacock's by Constable John Shanks.

According to the story young Trimmer some time ago purchased a horse from a man named Heacock, of New Chester, giving a note to which was attached his father's name in post payment. When he came to pay the note he failed to do so and it was learned he failed to do so because he had sold the horse to another.

Since then he has sold the horse. Nothing was said however until the note became due when he failed to make payment. At that time he stated the property did not belong to the father on whom they resided until he could get the money.

Young Trimmer had been working at the Muscatine canning factory at Bigerville but had given up that position and was now working at the same place when Constable Shanks found him.

ANOTHER AUTO RUN TO COME

**Motor Club of Harrisburg to Send
Another Automobile Run through
Derryberry this Fall. Letter Part
of November of the Time.**

The Motor Club of Harrisburg will hold its first fall reliability and economy run to Derryberry and other points on November 21 and 22 with a run of 150 miles.

The action endorsing a fall run was taken at a meeting of the local automobile clubs in Harrisburg.

There have been numerous requests from agents and manufacturers for a continuation this fall of the runs of last season and the club has decided to have a committee that will test the roads and see if the weather will offer the opportunity of expediting their cars in their setting up.

On the basis it is proposed to have the run from Harrisburg to York over the Susquehanna River, the Conestoga and York county side of the Susquehanna River, and from York to Hanover, Littlestown, York, Gettysburg, Hanover, Chambersburg, Newville, Carlisle and back to Harrisburg. On the second day the run will be from York to Greenfield, Pottsville, Mahoning City, Shamokin, Ashland, Mt. Carmel, Shickshinny, Williamsport, Scranton, Wilkes-Barre, Scranton, and down through Dauphin to Harrisburg.

Poll arrangements will be made at a meeting of the constituent clubs in about two weeks. The permanent run will cover the route on the east and west over the week end of November 21 and 22. There is no present indication that the run will be made until after the election next month.

LAFEAN ALWAYS ON THE JOB

Proved true to the trusts imposed in him by faithfully serving all the people.
Their interest and welfare his only concern.

Fought the Tobacco monopoly by voting and working against the Payne Bill which provided for the removal of the tax on tobacco imported from the Philippine Islands, and placed the leaf growers, cigar makers and manufacturers of York and Adams Counties at the mercy of the cheap coolie labor of the east.

Led fight against dominant influences in congress which defeated the land graft bill, a measure designed to rob U. S. government of thousands of dollars for lands in District of Columbia.

On record favoring the election of U. S. senators by direct vote of the people.

ON ADAMS COUNTY APPLES

The Harrisburg Patriot comments on Adams County's apple crop as follows:

Hundreds of barrels of apples are being shipped through Harrisburg from points of the Cumberland Valley, the Conestoga and the Derryberry districts.

The apple crop is now at its height in the shipments from the Derryberry district, and is being sent through the city this season in Franklin and Adams counties and the surrounding areas.

The apples are being sent to all parts of the United States. Almost every day several carloads of apples are being sent to Akron, Ohio.

Others are sent to many shipping points in Philadelphia, New York and Baltimore.

The kinds of apples raised in Adams, Franklin and Adams counties are Baldwin, Pippin and the Green apple.

A train load of Imperial apples, which are red ones, makes a very fresh and juicy fruit.

The orchards are the most numerous in the Ontario and Harrisburg districts and the orchards in the Susquehanna River and from York to Hanover, Littlestown, York, Gettysburg, Hanover, Chambersburg, Newville, Carlisle and back to Harrisburg.

On the second day the run will be from York to Greenfield, Pottsville, Mahoning City, Shamokin, Ashland, Mt. Carmel, Shickshinny, Williamsport, Scranton, Wilkes-Barre, Scranton, and down through Dauphin to Harrisburg.

AGAIN SEEK ELUSIVE LEE

**John Los, Adams County Jail Break-
er, again Fails Person who
Starts after him from Wayne-
boro. Whereabouts Unknown.**

Patriot Editor of Lancaster, Pennsylvania, says of Derryberry, "After several hours, Friday afternoon, when he was not so far north, in traveling through the mountains, went to the home of John Los, Derryberry."

The editor adds, "Los had been seen there during the afternoon, probably having been released from jail, and was once more a Polkian Palmer took a train and went east on the mountains.

He was seen in the mountains in that vicinity only a short time since.

The description of the man given by the editor is: "A tall, thin man, with dark hair, wearing a light-colored suit and the officer began a hasty search for Los."

It is believed, however, that he may have run into the forest, or, probably, crossed the mountains to his old home near Franklin.

BROWN—RAMSEY
George Brown and Alida Hammons both of Middlebury, Middlebury County, were unable to secure a place to live in the winter because of the lack of available houses. This is no present indication that the winter will be worse, the place and the house will be secure.

Mr. Brown says that the appearance will not be made until after the election next month.

There are four accused candidates for the appointment, namely, Mrs. Elizabeth Brown, Mrs. Mary A. Brown, Mrs. Anna M. Brown and Mrs. Anna M. Brown.

The same created a great deal of fun and was enjoyed by everybody.

Both the Brown and the Mrs. Brown represent their respective sides.

For the Sciotoines Captain Prichard, Hall of the Sciotoines, Captain of the Sciotoines and Baltimore, Maryland, played the best game for the Sciotoines. The Sciotoines beat the Sciotoines and their opponents and easily scored 4 touchdowns, but two of them were not counted.
